SUPERMODEL NAOMI CAMPBELL WEARS ARTISTIC LIQUID & POWDER AND COLOUR GLOSS

U.K. Superstar Flashes Stunning Pink Manicure While On National Television

MISSOURI, USA – (October 2013) – Supermodel Naomi Campbell, who has established herself as one of the top three most recognizable and in-demand models of all time, was seen on Saturday night's Jonathan Ross show wearing Artistic Rock Hard Liquid and Powder on her nails. In her interview with Ross, Campbell started to break down as she spoke about her anger issues and drug addictions, compelling her to bring her hands up to her face and show off her manicure and dazzling rings.

Celebrity nail technician, Michelle Class, used Artistic Rock Hard Liquid and Powder to sculpt and create strength – and to develop the perfect shape to Naomi's nails before applying Artistic Colour Gloss shade Precious, a natural baby pink. The pink hue was a perfect compliment to Campbell's skin tone.

In addition to wearing Artistic Rock Hard Liquid & Powder and Colour Gloss in Precious on her nails, Class also applied Cheeky, a burnt orange-red on her toes.

"It's so exciting when we hear of another celebrity wearing our products. We are constantly complimented on our color range so it's no surprise that Artistic Colour Gloss get's chosen often by celebrities for public appearances," states Artistic Nail Design executive vice president and creative director Alisha Rimando Botero.
