

ARTISTIC COLOUR GLOSS FEATURED BY TOP NAIL TECHNICIAN ON MERRICURES.COM

MISSOURI, USA [February 2015] – Artistic Nail Design's must-have spring collection **Femme Florale** was recently featured on merricures.com, one of the go-to nail blogs. Hosted by rising professional manicurist Merrick Fisher in Beverly Hills, California, Merrick shared an amazing review on Artistic's Colour Gloss colours in the new spring 2015 collection.

Merrick says:

*"I find all of the colors to be very pretty, and highly pigmented. I thought for sure I was going to have to use a white base in order to make **Killer Stems** pop, but it wasn't necessary in the slightest.*

*As far as the formula is concerned, I had zero issues: no brush strokes, pooling, or bleeding. I personally Love the shades **Takes Tulips to Tango** & **Killer Stems**- I find them both beautiful and unique in the gel polish world.*

*The **Femme Florale Collection** is out and available now. I highly recommend you go out and pick it up for yourselves."*

The fresh, spring colours from the **Femme Florale Collection** features four of the season's most-wanted shades: **Killer Stems** (bright grassy green crème), **It Takes Tulips To Tango** (bright coral crème), **Budding Fixation** (rich cornflower blue creme,) and **Petal To The Metal** (lavendar-pink orchid crème). Any colour is the perfect accent for a fierce style statement.
